CLUB DIRECTOR GREG MELDRUM

Raised in West Vancouver, Greg began his basketball career as a "Highlander" at WVSS. In 1991, he was recruited by the University of Victoria, where he played five years with the "Vikes". After graduating from UVIC, Greg embarked on a professional career, which spanned for 9 years playing for teams in New Zealand, France, England and Spain. Greg was also a member of the Canadian Men's National Basketball Team and competed for his country in the World Championships in 2002. When Greg hung up his basketball shoes in 2005, he returned to UBC to earn his Bachelor of Education degree and began his second career as a teacher at Ridgeview Elementary in 2006. The WVBC is the perfect opportunity for Greg to combine his passions: teaching children and coaching basketball.

Testimonial

"Every facet of my son's game has improved 10 fold thanks to the knowledgeable and high-energy staff of the WVBC. This is a dedicated group that not only teach the next level of basketball skills but more importantly how to treat people with respect, deal with adversity and build self confidence. If you want to prepare your child for high school basketball, this is a must do program."

- Russ Ladd

What is the WVBC?

Established in 2008, the West Vancouver Basketball Club provides quality instruction of basketball skills and positive mentorship for children between the ages of 5 and 13. Since its creation, the club has grown to include over 200 aspiring basketball players. We are looking for local businesses to partner with who support physical activity and positive social interaction through basketball among youth in our community.

We Want to Help Your Business

The WVBC is seeking sponsorship from local companies for 2010/2011. Because we are a small club in West Van, we would greatly benefit from your support and we would be happy to team up and promote your business within the community.

Why Sponsor the WVBC?

As a sponsor of the WVBC, your company will assist us to improve and increase the number of opportunities for young athletes wishing to become more involved in sport, health, and fitness.
